

STORRINGTON AREA HELP SCHEME

Registered Charity No 1203336

PLEASE CAN YOU HELP?

The Storrington Area Help Scheme exists to take local people from Storrington, Ashington, Cootham, Sullington, Thakeham, Washington and West Chiltington, who have no transport of their own, to attend medical appointments within West Sussex. This includes visits to hospitals, doctor's surgeries, opticians, chiropodists and dentists.

To meet our objective, we rely on volunteers with their own cars who are willing to drive others to such appointments. Drivers do not have to make a regular commitment but are contacted from our office and asked to undertake a specific journey. They can always say NO if the time, date or location is not convenient. A mileage allowance is paid. A valid driving licence and comprehensive insurance is required.

New volunteer drivers are always welcome and if you have any free time we would love to hear from you. We are also keen to supplement our volunteer office team; this presently requires a more regular commitment of around 2½ hours one weekday morning every two weeks. All our volunteers are required to undergo a DBS check, paid for by the Scheme.

For more details please ring the Help Scheme office on 01903 742124 between 10 am and 12 noon any weekday excluding public holidays or leave a message on that number and we will get back to you.
